### NZ Market weekly update

The market update is available to read online now. [Read more.](#)

### Market Data

Week 8 sales information for both the export and New Zealand markets is online. [Read more.](#)

### Calling old tape

If you have any Japan or Korean OAP sealing tape over two years old, please return it to the IVA for destruction. The tape manufacturer doesn't guarantee tape over two years old will remain stuck to packaging, so Summerfruit NZ has asked the AsureQuality IVA to collect and destroy any expired tape. ### Conference sponsorship change

Karen McLean of Conference Makers Ltd, is the new person looking after Summerfruit NZ's conference sponsorship. Many of you already know Karen as organiser of our annual conference, so it makes sense that she also looks after sponsorship, following Trish Aitken's departure last year. Right now, Karen is preparing the 2018 sponsorship opportunities brochure which will be emailed to last year's sponsors and exhibitors, as well as being available on our website. If you'd like to contact Karen to discuss opportunities in advance, email [karen@cml.net.nz](mailto:karen@cml.net.nz) or call her on 06 833 7440.
