Field visit to PFR's Clyde Research Orchard

You are invited to see the progress on the FOPS programme on both cherries and apricots at the PFR orchard in Clyde at 3.30pm on Friday, 8 December. As well as the original blocks, they also have a younger block of cherries in which the upright shoots are developing now. Also check out the fruit of 'Nzsummer4' (Mac1/6) mentioned in the [ODT](#) last week. This apricot is very early for Central Otago and has a very attractive orange background colour and blush. [Read more.](#)

Meetings

8 December	Field visit	Clyde	3.30pm	PFR Research Orchard
30-31 May	Conference	Napier	9am	Various venues
