## DEVELOP YOUR TALENT

**If you are a business that is enthusiastic about showcasing your industry and supporting the future of horticulture, we welcome you to fill in the application form.**

Places are limited – you will be notified on the outcome of your application within 5 working days. Visit <https://gohorticulture.co.nz/gohort-employer-registration/> to register!

All employers will commit to paying the living wage. Participating as a GoHort employer, means you will join a collective of growers, showcasing your region and industry. There will be group activities for yourselves and your successful intern to participate in within your region, helping to open up more networking and learning opportunities.

## THE GOHORT EXPERIENCE

The aim of the Go Horticulture Experience is to attract skilled individuals to pursue work experience in NZ's growing regions through participation in the GoHort Internship. The aim of the internship is to raise awareness of career opportunities within the New Zealand horticulture industry, bridging education to employment.

## OPPORTUNITIES TO SHOWCASE:

- Industry best practice and innovation
- Progressive employment practice that supports sustainable career progression
- Employers committed to providing a diverse work experience
- Positive work culture, well being, health and safety
- A collaborative industry approach to developing the future workforce of the NZ horticulture industry
