

Hi there

I'm Ruth and I am coordinating the Clutha District Mayor's Task Force for Jobs Community Recovery Programme.

The aim of the programme is to support 50 NEET's (Not in Employment, Education or Training) into employment or training in the Clutha District. However, Bryan Cadogan (Mayor of Clutha District) is also using the funds to facilitate region-wide job recovery and initiate liaison across the region on job opportunities.

We would love your business to be involved and here's the details:

The first event for the Clutha District is:

- **Thursday 1st October 2020 from 4pm until 7pm at The Tyrone McElrea Lounge, Cross Recreation Centre in Balclutha**

This will be similar to the 'speed dating' type set-up we've done in the past.

The second event in Queenstown is:

- **Saturday 10th October 2020 from 10am until 3pm at the Queenstown Memorial Centre, Queenstown**

This will be 'speed dating' on turbo 😊 where businesses throughout Otago will be showcasing their company and any vacancies they have.

I will be sending further information about some package deals for Queenstown accommodation, should you wish to make a weekend of it with the family.

We will also be providing a meal of some sort on the Saturday evening after the event, which will give companies/organisations a chance to discuss where they're at and if the event needs to be repeated.

It is going to be HUGE - it's so blumming exciting, lots of jobs and opportunities with heaps of motivated people wanting the jobs and opportunities.

Both Bryan and I would be stoked if you came on board with us.

If you're keen, would you be able to confirm the following via an email please:

- **Your attendance to one or both events**
- **If you need a table for your 'pitch'**
- **If you need power for your 'pitch'**

I look forward to hearing back from you.

Thank you so much and please feel free to contact me if you have any questions at all.

Ruth
