The 2022 Central Otago Young Grower competition aims to inspire and acknowledge the talents of young people employed in the fruit and vegetable sectors in Central Otago.

We have some of the best fruit and vegetables in the country so it goes without saying that there are also a number of very talented young fruit and vegetable growers in the region.

The winner of the 2022 Central Otago Young Grower goes forward to the national final of the NZ Young Grower on 21-22 September 2022 in Nelson.

* The regional competitions are open to eligible fruit and vegetable growers, with the exception of Hawkes Bay, which is a fruit grower competition only. The winner from each region goes to compete at the National Final for the New Zealand Young Vegetable and Fruit Grower title as well as the national title.

DEVELOP AND SHOWCASE YOUR SKILLS

Jordan Carrol
Winner of Central Otago
Young Fruit Grower 2021

The Central Otago Young Grower is a fun-filled and challenging full day event in which contestants undertake a range of horticultural related theoretical and practical activities.

To round off the day there will be a dinner where contestants participate in a speech competition and awards will be presented to the winners.

The competitions have an emphasis on practical production (on or close to orchard/farm) skills and business skills associated with growing and industry knowledge. The term "grower" includes those involved in growing plus those roles closely associated with growing such as pack house and coolstore employees. This does not include service providers such as bankers and consultants.

Contestants have the opportunity to compete for the title 2022 Central Otago Young Grower and the following prizes:

2022 WINNER	\$1,500
1ST RUNNER-UP	\$1,000
