Fruit fly found in Auckland

The Ministry for Primary Industries has advised that a single male Queensland fruit fly (QFF) has been found in Auckland. The fly was collected from a fruit fly trap in Devonport and formally identified on 14 February. [Read more.](#)

NZ Market weekly update

Market data

Export market information for the week ending 10 February 2019 is available online. [Read more.](#)

Nzsummer series apricots take centre stage in Hawkes Bay

Phil Collins wasn't the only star in Hawkes Bay last week. The new apricot varieties – Nzsummer2 and Nzsummer3 attracted a good crowd of growers and other industry participants at the informal tasting session held last week at Roger Brownlie's orchard. [Read more.](#)
