### Are you able to access the secure portal?

Now is a good time to check that you can log in to the Summerfruit NZ [secure portal](#). With export registration nearly open and the MRL/PHI charts about to be released, you need access to the portal. Remember that if you have forgotten your password to log in to the secure portal, you just need to select **Forgotten password?** from the log in screen and you will be emailed a new one.

### Export registration opening soon

This year we are opening export registration on **Saturday, 1 September** for growers, packhouses and exporters. Currently we are updating the export materials as they become available and will let you know via *Prunings* as soon as they are ready.

### Registration with Korean Ministry of Food and Drug Safety for packhouses

Packhouses may remember that two years ago they were required to register with the Korean Ministry of Food and Drug Safety. This registration must be renewed every two years. If you registered two years ago, you are due to renew your registration this year. If you are a new packhouse, you will need to register for the first time. [Read more](#).
